- THE DETAILS -

A lead planner/designer from the So Smitten Events team will handle all of the necessary planning elements of your special day. They will hold your hand through the entire process, and be your wedding assistant from beginning to end. They will work with you and your budget to implement a gorgeous custom design, refer and secure the appropriate venue and the necessary vendors, and work through all of the large and small details with you. In addition, they will attend, oversee, and direct the wedding, handle your vendors, keep everything on time, and make sure you have a memorable and enjoyable experience. With this package, So Smitten will guide you through the entire planning process, making it stress-free and, more importantly, fun!

- THE DETAILS -

This package is for the Pinterest-inspired couple who want guidance in creating and implementing the overall design, decor, and ambiance of the event from a So Smitten Events designer. This d.i.y. couple has already secured their venue and hired all vendors, and just want help executing their vision on their wedding day. For this package, So Smitten will utilize one of their preferred florists and rental companies to help make the vision come to life (it is a requirement that we use a So Smitten preferred vendor for these services). In addition, your designer will ensure that no detail or decor item is missed. On the day of, one of our lead coordinators will tie up all of the loose ends, attend, oversee, and direct the event, handle your vendors, keep everything on time, and make sure you have a memorable and enjoyable experience.

DARLING DESIGN SILVER
